Summer 2010

Dear Leader In Training Applicant,

We are so excited that you have a desire to be a part of our Leader In Training (LIT) program. The LIT program is a perfect opportunity for young Christian leaders to develop their leadership skills and take a deeper look into God's unique call on their life.

LIT's will be assigned to a group of younger campers where they will assist the cabin counselors in many aspects of the camp program. LITs get a chance to lead a cabin devotion, participate in worship, and serve as a positive role model for their cabin mates. They will also have special Bible studies and other events planned just for the LITs.

To be selected for the LIT program , you will need to fill out an application, and have one reference form completed by a church leader that knows you well. This could be your pastor, youth pastor, Sunday School teacher, or missions leader. Please mail your completed application to CrossRoads. There is no cutoff date for sending your application, however the positions will be filled as quality applicants apply. If you are interested in more than one week, you only need to have one application and reference form completed.

The CrossRoads staff is praying for the summer camp and LIT programs, that we will make a positive impact on all involved, for the Glory of God. Please begin to join us in prayer now for your experience this summer. Feel free to contact us if you have any questions.

See you soon!

Blessings,

Reuben Todd
